

Become a Volunteer with Vernon's Newest Radio Station!

Join us on our path to become the best community radio station in Canada!

Executive Board Members/Leaders

Are you interested in making a difference in our community at the executive level? Are you interested in becoming a leader and having a direct, personal, and meaningful role in developing Vernon's newest radio station?

Join the Vernon Community Radio Society Executive, a BC-registered non-profit organization established in 2017.

We are looking for some fantastic, dedicated, and wonderful people to join our executive team. You can become a director of a specific aspect of our operations such as events, fund-raising, news broadcasting, sponsorships, social media, etc. or you can become a general director. We have other executive positions available as well.

Members of the Board have regular meetings to attend and take on necessary tasks as required. Board members must be members in good standing in the Vernon Community Radio Society. Society directors also must be Canadian Citizens.
