

Become a Volunteer with Vernon's Newest Radio Station!

Join us on our path to become the best community radio station in Canada!

Production Team Member

Do you love to write? Do you enjoy making creative content? Do you love graphics, making posters, logos, photography, video? Do you love music, spoken word, and other creative recording and live broadcasting/streaming?

Volunteer your talent and interests by becoming part of the production team at 97.9 Valley FM, Vernon's Newest FM Community Radio Station! Join a

fascinating and dynamic group of people who love radio and our community.

The production/creative team is heart of all successful radio stations. We will

be ON-AIR in January 2022! The future is wide-open for your creativity,

innovation, and special set of talents as part of 97.9 Valley FM's Production

Team.

The Production Team at 97.9 Valley FM has many different positions to be filled. You can be either committed for a single project or many. There are no specific hours, just timelines to complete projects. There will be some virtual or in-person meetings to attend as well as training opportunities to attend. Person initiatives are welcome! We are looking for some fantastic, dedicated, and wonderful people to join our executive team. You can become a director of a specific aspect of our operations such as events, fund-raising, news broadcasting, sponsorships, social media, etc. or you can become a general director. We have other executive positions available as well. Members of the Board have regular meetings to attend and take on necessary tasks as required. Board members must be members in good standing in the Vernon Community Radio Society. Society directors also must be Canadian Citizens.
