

Become a Volunteer
with Vernon's Newest Radio Station!

Join us on our path to become the best community radio station in Canada!

Sponsorship and Promotions Team

Do you love making friends and connections in the community with individuals, organizations, businesses, and groups?

We are looking for members of our Sponsorship and Promotions Team at 97.9 Valley FM.

Team members bring donations and sponsorships to the Vernon Community Radio Society which in turn uses these funds to operate and grow 97.9 Valley FM, The Heart of the Community.

Training will be provided as required. We will be meeting in person and virtually periodically. These are continuing positions. You may also want to join for a specific fundraising initiative such as our "Foundation for the Station" campaign.
